Re: Case No. 3:12-cv-00325-RCJ-VPC, MDL No. 2357

I am Shaun Breidbart. I reside at 336 Eighth Ave, Pelham, NY 10803. I am a Zappos settlement class member, as evidenced by emails I've received from the administrator at my email address ShaunBreidbart@yahoo.com. I do not intend to appear in person at the hearing.

**I object to this settlement.** I don't object to paying lawyers for their time, expenses and risk- I understand how contingency class-actions work.

What I object to is that essentially the class is receiving nothing. If we exercise this small discount Zappos is making a PROFIT from the settlement. That the only way we get anything from this settlement is to continue to do business with the defendant is inexcusable.

The court should not in good conscious approve this settlement. I realize the logistical complications of giving every class member, say, five or ten dollars, but that would be more reasonable.

Furthermore, that the documents provided to class members didn't even include the court's mailing address demonstrates the carelessness with which this matter has been handled.

Sincerely,

*Shaun Breidbart*
